

Dear Coach:

Louisiana Youth Football is proud to announce a working partnership with USA Football through which we will participate in their coaching membership/certification program.

Louisiana Youth Football has taken important steps to ensure the highest level of coaching within our programs - for the youth participants and also for you, who make the programs a success. Another step is the implementation of a coaching membership and education for our coaches through USA Football's coaching membership program. This includes a comprehensive Coaching Membership that gives each coach the access to their Online Coaching Courses, Practice Planner, Click-n-Create playbook, Drills Library, Ask the Expert, and Member Discounts. Most importantly for you as Coach, is that you will receive a \$1,000,000 general liability insurance policy through USA Football once you complete the level 1 coaching course.

Louisiana Youth Football has worked with USA Football to ensure that this process is convenient, secure and confidential.
